The Associated General Contractors of America  
Central Texas Chapter since 1946

4500 West Waco Drive 254.772.5400 254.772.5451 fax

Centex**AGC** membership also makes you a State and National AGC member...

In addition to being part of the **AGC of America**

You are also a member in good standing in the:

## **AGC Texas Building Branch**

The AGC of America helps us with countless issues...

- U.S. Legislation
- Environmental Concerns
- Economic Forecasting
- Federal Taxes

**Safety Services are an integral part of your AGC membership!**

- CPR & First Aid Classes
- Receive assistance to develop your own Safety Manual
- Take advantage of Job Site walk thru's with constructive comments for improvement
- Be represented at OSHA on-site inspections
- Utilize our extensive Video Library for "Tool Box Talks" and training

## **CentexAGC News**

- Comes to you every week with the latest job info and building permit list for greater McLennan County.
- Webinars on LEED training, Environmental Concerns, and other construction issues.
- Conference and training room facilities available at no cost for members.
- LCD projector for "rent"
- Notary Public services for those "end of month" forms.
- Construction forms library.
